UK firm bags St Kitts project

Staff report / 2 November 2013

Range Developments, a leading Dubai-based hospitality developer, has announced the appointment of Kier, a global construction company based in the UK, for phase one of its Park Hyatt St. Kitts project.

Kier is part of the Kier Group which is a publicly listed.

FTSE 250 company with significant Caribbean experience.

The Park Hyatt St. Kitts project, planned for completion in 2015, will produce a world-class resort hotel at Christophe Harbour, a 2,500-acre resort community being developed on the Caribbean island of St. Kitts.

Mohammed Asaria, Vice Chairman of Range Developments, said Kier's goals and values are aligned with those of Range Developments. "This is another major step towards the timely completion of our St. Kitts development and we are confident this collaboration with Kier will ensure that the highest

standard of quality is maintained throughout the development.”

Kier has worked on projects across the world including the UK, Asia Pacific, Middle East, Eastern Europe & the Caribbean.

Prime Minister of St. Kitts & Nevis, Dr. Denzil Douglas, welcomed the appointment of Kier for the Park Hyatt project which he described as “an important component of the vision for the overall Christophe Harbour development, and a vital ingredient in his government’s economic transformation strategy which includes the creation of quality jobs for residents of St. Kitts & Nevis”.
