PARK HYATT ST. KITTS

Where: Banana Bay, St. Kitts

Long in the works, the hotly anticipated [Park Hyatt St. Kitts](#), slated to open in November 2016, is located in the Christophe Harbour development along Banana Bay, a quieter part of the island with white-sand beaches, clear waters, and views of The Narrows straight separating St. Kitts and Nevis. The sustainably designed resort will feature 125 rooms with a locally inspired design and all the expected five-star amenities; some suites will also have soaking tubs and rooftop pools. There will also be three dining outlets, a 12-room spa (with outdoor treatment areas), infinity pools, and access to all the Christophe Harbour facilities, including an 18-hole Tom Fazio–designed golf course, a Beach Club, and a super-yacht marina village.
